

# Yarnex and F&A Show

## All Set to Showcase the Latest in Fiber to Fashion

The 14th edition of F&A Show-Fabrics & Accessories Trade Show which was held for the first time in Delhi in 2016, was a resounding success. The huge popularity of the F&A Show had meant that the chorus for a Delhi edition of the event was growing by the day. The unprecedented success of the 2016 edition was a testimonial to the connect that the F&A Show had established with the various stakeholders in the textile industry. F&A Show, Delhi was held concurrently with Yarnex, in July 2016 has come as a boon to the exhibitors and buyers from the northern part of the country.

The 2016 edition of Yarnex and F&A Show saw 139 exhibitors from India, China and Hong Kong display their latest generation products. The event attracted 5,863 visitors drawn not only from India but also from various parts of the world including, Argentina, Bangladesh, Uruguay, China, Canada, Columbia, France, Japan, Iraq, Libya, Nigeria, Nepal, Russia, South Africa, Sri Lanka, USA and Thailand.

The 11th edition of Yarnex and 16th edition of F&A Show will be held from 20 to 22 July 2017 at Pragati Maidan, New Delhi. F&A Show 2017 edition has grown in scope & stature and will witness manufacturers and suppliers of apparel fabrics, trims, embellishments and other related services showcase their varied product portfolio. The event also offers an excellent opportunity for B2B networking. The F&A Show over the years has become a must visit event for almost anyone who is a part of the textile industry, for it is here that one gets a chance to meet genuine high quality buyers, representing a broad spectrum of the supply chain.

Yarnex 2017's Delhi edition which will be held concurrently has already generated a lot of buzz in the textile industry. It is not surprising that manufacturers and suppliers of fibers and yarns have shown keen interest in participating in this highly popular trade show. It is after all the apt platform for them to reach out to the vast community of knitters, weavers and spinners.

With India fast becoming a textile hub, and with the help of proactive state policies, the twin events are expected to give an accurate picture of the latest trends in the market, apart from offering a sneak peek into the future trends.

With several new product launches, informative seminars on the side-lines and product displays, the Delhi edition of the two events expected to further raise the benchmark set by the event in the past.

### Major exhibit categories includes:
